**CANOPY - WW2 SUSPENSE DRAMA DIRECTOR COMES TO ADELAIDE FOR SPECIAL EVENT SCREENING and Q&A**

Transcending language and culture, CANOPY is an internationally acclaimed Australian / Singaporean feature film - and director/ writer will be at Palace Nova Eastend Cinemas on Saturday May 10<sup>th</sup> to meet and greet the public and answer your questions about indie filmmaking, crowdfunding, critical success at their World Premiere in Toronto, and what's it's like to film in a jungle, at night in Singapore making your first feature length film.

Set in 1942, Singapore, during the second World War, CANOPY is a realistic and gripping adventure story of an Australian fighter pilot (**Khan Chittenden**) who is shot down in combat by the Japanese. As night falls we follow his journey through a perilous jungle in search of sanctuary where he encounters a Chinese resistance fighter (**Mo Tzu-Yi**) whom is in a similar predicament. Together the two young men must put their trust in each other to survive.

Canopy premiered at the recent Toronto International Film Festival where it was unanimously praised as a 'remarkably Immersive Experience' (Los Angeles Times). The film then went on to further critical acclaim and to win awards at the Busan, Abu Dhabi and Rotterdam International Film Festivals.

Straight from their sold out screenings on the Film festival circuit, CANOPY opened nationally in selected cinemas on Anzac Day long weekend in Melbourne, Sydney, Canberra, Adelaide and Brisbane in selected Cinema Nova, Dendy and Palace Cinemas, and The Sun Theatre (VIC). A special one off event in Adelaide will be MAY 10<sup>th</sup> 4pm at Palace Nova Eastend.
